

SYDNEY

Spectacular Sydney is an exciting, colourful and vibrant city where it's easy to get out and about. You can tick off all the city's icons - the World Heritage-listed Sydney Opera House, Darling Harbour and the Sydney Harbour Bridge. Circular Quay, the Rocks, Bondi to Manly to the Blue Mountains. Sydney will not disappoint you no matter what kind of holiday you are looking for. Pack in as much or as little as you like, it's all here.

Sydney is a high demand city and therefore hotel prices are usually higher than most other Australian destinations. Also, as it is on or near Easter, rooms run at a premium and availability can be limited. KSG has an in-house Travel Consultant that can assist with your accommodation and transfer needs for the 'Create your own Package' option. If you wish to go with a pre-designed package, you will need to advise what level (i.e., 3, 4 or 5 ★) &/or what minimum / maximum price per night. To give you an idea, a 3 ★ Accor hotel is AUD309 per night in Darling Harbour.
